

Dear Valued Customer:

Due to increasing public concerns over incidents of identity theft merchants across the country are taking measures to show that they comply with strict computer security standards set by credit card associations led by Visa USA and MasterCard International, Inc.

We at Futureware Distributing, Inc. always have treated the credit card information you provide us in strict confidence. It is not only important to you, but it is very important to us also.

We suggest that you provide us the credit card when making your purchases. We understand that when placing phone orders, it is not possible.

If you elect for us to maintain your credit card on file, may we have your permission?

_____ I authorize Futureware Distributing, Inc. to maintain the attached Credit Card Authorization document in a secured place. It is understood that a similar document will be sent to you on an annual basis to update our files.

_____ No, we are not interested in having Futureware Distributing, Inc. keep the credit card information on file. We will bring the credit card in when making payment via Credit Card.
